

Elite Athletes & Elite Artistic Performers Information - First Half Year 2011

Elite Athletes and Elite Artistic Performers Scheme is designed for applicants who believe that their performing, training and/or competitive commitments have affected their HSC or study preparation in the past 2 years.

Applicants who are currently undertaking or have previously undertaken any tertiary study (tertiary study includes diploma, advanced diploma, associate diploma, degree or higher level studies undertaken either in Australia or overseas) and intend transferring or applying for a program of study at Macquarie University in 2011 are also eligible to apply.

Macquarie University's Ranking Committee will consider the circumstances of the applicant and determine if they are eligible for assistance in their admission to the University.

Applicants to this Scheme must also apply through the Universities Admissions Centre (UAC). Elite athletes and performers are not eligible to apply for special consideration under the Educational Access Scheme (EAS).

Approval under this scheme does not guarantee admission but allows applicants who have been assessed as being "elite" and whose competitive commitments have impeded their study performance, to compete for a place in their preferred program where their UAC ranking is up to **four points** below the published course cut-off for the year of admission. All applicants must achieve an ATAR of 72.55 or above to be eligible for special consideration.

Eligibility Requirements

For all applicants the activity which affected and disrupted the applicant's education and study performance must have occurred over the last 2 years.

Elite Athletes

Applications for elite athletes will be assessed using the following seven (7) points as criteria. An applicant has to meet at least one (1) of the seven criteria to be assessed as an Elite athlete and eligible for bonus points under this scheme.

1. Member of a National Open squad or equivalent (e.g. AIS, Olympic or Paralympics teams).
2. Member of a National Age squad member or equivalent (e.g. Australian All Schools team, junior national team, U19 - U21 national teams).
3. Top 10 Open National Ranking or Top 5 Age National Ranking individual sports.
4. Top 10 Age National individual competition results.
5. Member of a State Age squad or equivalent (e.g. NSW All Schools team, NSW Swimming).
6. Member of a State Institute of Sport or Academy program (e.g. NSWIS, SAS)
7. Member of Open Division 1 Club side in Club Premier competition or equivalent.

Elite Artistic Performers

In order to be eligible to be considered as an elite artistic performer, the applicant's performing activity must have been at an elite level and outside of assessed HSC material, for example:

- Member of National Arts company (e.g. Opera Australia)
- Member of State Arts company (e.g. NSW Youth Orchestra, Sydney Dance Company)
- Significant success in major artistic performing arts competition
- Success needs to be outside of applicants HSC curriculum
- Undertaken a major role in commercial arts production
- Needs to have been signed by a major commercial label or producer

Not Eligible

The following applicants are not eligible to apply under this Scheme:

- International fee-paying applicants.
- Applicants who did not apply through the Universities Admissions Centre.

Assessment Criteria

To assess the amount of disruption the Ranking Committee will base its decision on the following ten (10) point criteria:

1. Level of commitment to the activity.
2. Amount of time for training, practicing and/or performing the activity.
3. Number of days absent from school in Year 11 and 12 for pursuit of activity.
4. Amount of disruption of schooling for pursuit of activity (other than absenteeism).
5. Indications of success and elitism at activity.
6. Prizes, awards, scholarships and qualifications achieved in pursuit of activity.
7. Personal best times for elite athletes or personal best achievements for performances.
8. Membership of any institute, academy or company relevant to the activity.
9. Highest achievement in sports or the performing arts.
10. Reviews or adjudications of performance.

The Application Process

Persons wishing to apply for entry to the Elite Athletes & Elite Artistic Performers Scheme must complete the relevant Application form, and submit with supporting documentation to the Student Enquiry Service no later than **Friday 19 November 2010**. Late applications may be considered on an individual basis.

A member of staff from the Macquarie University Sport and Aquatic Centre or from the Faculty will contact applicants in early December 2010 to discuss their interest in Macquarie University and their performance in their advised field.

Further to the discussion, the University's Ranking Committee will assess all applications and determine their eligibility to receive the bonus points.

Applicants will be notified by mail of the outcome of their application *by the end of December*. Successful applicants will be considered for a place in a degree which has a published cut-off of between one and four points above their own. Please note that being successful in this Scheme does not necessarily mean that a degree place will be offered (ie. if the applicant's preferences have cut-offs more than four points above their own).
